Play Ball!

PONCE de LEON BASEBALL

The Ponce de Leon Baseball League offers the opportunity for men over the age of 30 (average age 40ish) to play baseball in a more relaxed fashion, without the need for intense competition, weekly practices or excessively expensive team uniforms. We recognize that due to family, business and social obligations your time is limited. For this reason all details of league play are handled by the main office and on-field league representatives, including team schedules, rosters, umpires and equipment. All that is required of you is to come out to the park and play ball! Everyone does the best that they can in an attempt to have fun and win the game. But when you leave the field for the day, you leave the game behind. No team standings, no statistics. Just the pure and simple joy of playing baseball. This is what the Ponce de Leon League is all about.

****FREE NEW PLAYER PRE-SEASON WORKOUT****

All new prospective players have the opportunity to attend a **free, no obligation pre-season workout**. Here you can meet other new players, ask questions, do a little throwing, fielding, hitting and judge for yourself if the league is right for you. No one will be singled out or embarrassed. If you are in doubt as to if you fit in, then you owe it to yourself to attend this practice.

NEW PITCHERS AND CATCHERS

If you intend to pitch or catch you need to attend the practice session. This is for evaluation purposes in order to properly balance the teams.

Baseball's "Fountain of Youth" - FALL 2024 SEASON - WOOD BATS FOR GAME USE

Official Rules of Ponce

Please read these rules carefully. They have been adopted to promote safety, provide equal times at bat and on the field, reduce boredom and make the game a fun time for everyone.

1. You **MUST** be age 36 in order to be able to pitch.
2. A continuous batting order and set lineup will be used. The batting order picks up in the next game where it ended. **(excluded for playoffs only)**
3. All players must wear a helmet at bat and on the bases. Base coaches are encouraged to wear batting helmets.
4. The last player to make an out is the pinch runner for the catcher with 2 outs and in all other pinch running situations.
5. The offensive team's inning will end after 3 outs or 6 runs scored, whichever comes first. This rule is waived in the 7th, 8th and 9th innings.
6. A pitcher **MUST** be removed and may not return to the game as a pitcher if he hits 4 batters during his time on the mound.
7. A pitcher **MUST** be removed and may not return to the game as a pitcher if he walks or hits a combined total of 5 batters in any one inning.
8. No pitcher may pitch more than 5 innings during any one game. Any appearance constitutes an inning.
9. All players will rotate defensively and never be off the field defensively for more than 1 consecutive inning (unless they so desire).
10. A runner trying to advance to a base must either slide or attempt to go around a fielder if the fielder has the ball in his possession or in the umpires judgement, is about to receive the ball. A runner colliding into a defensive player in an intentional attempt to jar the ball loose will be called out and ejected from the game. This is not a "must slide" rule but a NO COLLISION RULE.
11. A fielder is not permitted to fake a tag on an incoming runner. The fielder must be in possession of the ball when making a tag. Violation of this rule will result in all runners, including the batter runner, being awarded an additional base.
12. **ONLY** players are permitted in the team dugout or on the bench. **NO** children, wives, friends, dogs, etc..
13. Injured players coming to bat must run the bases. If a player is injured running to a base, player must either stay in the game and run the bases, or be removed for a pinch runner. If player is removed for a pinch runner due to injury, to replicate Major League Baseball and for players safety, he will no longer be able to participate in game that day or night.
- 13a. Teams are now able to designate, before the start of a game, up to two players that will have designated runners. The designated runner will be the previous out and replace the player on base.
14. If a defensive player is injured during play, he may be replaced but will not bat in his team's next offensive inning.
15. During playoffs a team forfeits if it has less than 8 players. If it has 8, it plays with 8. However, in this case, when the ninth spot in the batting order comes up, that will be considered an automatic out each time that spot comes up in the batting order. If a team starts with more than 8 players, but at some point in the game ends up with 8 players due to injury or player(s) leaving early, those spots in the batting order will become automatic outs when their place in the batting order comes up.
16. Players are required to wear Ponce issued uniforms or Individual team approved uniform at Commissioners discretion.
17. A player ejected from a game will be suspended for his team's next played game. If this happens twice in a season the player will be suspended for the season.
18. **NO** intentional walks.
19. Wood Bats will be used at all times.
20. All other rules if not specifically stated above will follow MLB rules and regulations.
